Garry Hipwell	337	M	Vet 50	Rugby Velo				A											

Average Points - If you have helped at an event and wish to claim average league points please ask your Race Day Organiser to email me with a list of helpers for that event. If you were a commissaire please email me. (Any League registered rider who helps on the day at an event in any way, i.e. gives up their ride for the benefit of others, will be awarded points in that round equating to an average of their total points for that season.)
