

<b>Waldrons WMCCL</b>	<b>Committee Meeting</b>	<b>Meeting date: 18/09/2011</b>
<b>Attendees: Dmi, GS, AB, NB, ME, Dme, JP, MH</b>		<b>Apologies: DG, DF, CI, SP</b>
<b>Meeting purpose:</b> To discuss:- <ul style="list-style-type: none"> <li>• Communications and the website</li> <li>• Lap scoring and results</li> <li>• Committee member roles</li> </ul>		

<b>Discussion:</b>	<b>Action:</b>
<b>Minutes from last meeting</b> To be agreed at the regular monthly meeting in October	
<b>Communications and the website</b> The Committee agreed the new website gave a good first impression to the new League sponsor. However, with access currently restricted to DF, communications were being slowed down unnecessarily and there was too much reliance on one person to post information and keep the site up to date. AB confirmed DF would be providing her with access to be able to post information and results.	<b>DF</b>
<b>Lap scoring and results</b> The Committee agreed this was one of the key roles on race day to ensure a result as near to accurate as possible was posted on the day or soon after. The result is the event organiser's responsibility. NB to check with each event organiser ahead of the round to ensure experienced lap scorers are available, with the offer of guidance on how to lap score from Committee members and/or the BC guide provided by Brian Furness.	<b>NB</b>
A note to be posted on the forum to establish whether there are any volunteers to form a regular lap scoring team for events.	<b>AB</b>
<b>Committee member roles</b> Regular Committee meetings to be held on the first Friday of every month throughout the season. Book Halesowen's club room for the October meeting.	<b>MH</b>
Committee agreed with DMe's suggestion of ordering reflector waterproof jackets to allow cyclists, their supporters and event helpers to easily identify Committee members on race day, to assist with managing queries and helping the event to run smoothly. GS will arrange for the printing on the jackets once purchased.	<b>DMe/GS</b>
All Committee members to play a more visible active role on race day when not racing themselves, to support those signing on, marshalling, etc and to generally be on hand at the event organiser's/commissaires' request so responsibility is spread rather than falling on the few.	<b>ALL</b>
<b>AOB</b> <i>Rider safety</i>	
Following several complaints from riders warming up, a reminder to dog owners that all dogs must be kept on their leads at all times.	<b>GS</b>
