

CX COMMISSAIRE COURSE

Confirmed date for the Cyclo-Cross Commissaire course, it will be on Sunday 9th July at Friary Grange Leisure Centre, Eastern Avenue, Lichfield, WS13 7SQ. The course will run from 10am until 5pm and lunch and refreshments will be included, plus there is an online module the candidates will have to complete before the day but it isn't too time consuming. All candidates must be a minimum of a BC Bronze member to attend the training then once they qualify as a Regional Commissaire they are entitled to their free Bronze Membership.

If anyone wants to know more information or has any questions please point them in my direction, if they are keen to attend if you send them the link below so they can enrol onto the course and I can then touch base with them.
