Commentator Rds 1-7 £700
Reg Fee Leicester Event £10
Levy Refund Wyre Forest £67.50
Room Hire £42
Postage £3
Mtg Refreshments £6.95

3/ League Events Review

- Fillongley – toilets and first aid to be addressed for next season
- One bike initiative – not showing in results. Review and address for next season

Unrestricted

- Junior Gridding – after much discussion it was agreed to leave to the commissaries discretion, generally 2 abreast with max 3 dependent on start space available/riders present
- Starting races on time – agreed it is imperative all races start at the published time. Too many instances of riders being held unduly long

4/ Commissaires

- We have cover up to Xmas/New Year
- Endeavoring to run a course in Dec but await BC HQ update

5/ Bursary

CB request discussed and further detail/clarification sought re trip details, expenditure etc

6/ AOB

- David Jennings has requested the 1st Oct 2017 as the only date available for Shelsey CX
- Joe Wilkes advised that there has been discussion regarding the creation of a Leicestershire CX league and Chris Hinchcliffe would like to attend a future meeting and discuss collaboration. The committee agreed this was a positive development and that we should co operate and be involved
- Vicky Franklin had emailed offering her physio services at race events, to be forwarded onto race organisers
- The Middle Spurney event has potential issues with the pit location dependant on weather conditions. If its very wet/muddy the pits could be 0.5m walk from the parking area.
- MH confirmed he has a further 3 events to pay out prize money
- AE has advised of several third party events where he has used the league PA system which will be charged at the agreed fee of £25/event
- MH to split the team competition as discussed into two competitions (under 12 and younger in one, and everyone else in the other). 6 riders from each club to count in their respective team competition

Next Committee Meeting : Monday 12th December, 7pm Lichfield
