

## SUNDAY 3RD NOVEMBER 2019 - ROUND 7

Stourbridge Cycling Club and Redditch R & P jointly welcome you to Round 7 of the Shimano - Lazer Helmets, West Midlands Cyclo-Cross League at Blackwell Court.

### VENUE ADDRESS

**Blackwell Adventure, Agmore Road, Blackwell, Nr Bromsgrove, B60 1PX**

Use post code **B60 1PY** for your Sat Nav. This will bring you nearer to the car park entrance, follow signs from there.

### PARKING

There is a £3 charge which goes towards the cost of hiring the venue. Please have the correct change ready and follow the instructions from the marshals. Parking will be tight, please be considerate.

***Please note : There is no overnight parking at the venue.***

### REFRESHMENTS

Catering facilities are a burger van provided by the venue. This will be positioned at the top end of the car park.

### COURSE

The course is similar to previous years except for the long descent to the bottom gate in Longbridge Meadow. A wild seeded area has been planted this year so our new route goes around the edge. Please ensure that no one rides or walks on this section of the field highlighted on the map. Look out for the course open and closed flags. Be patient, the course needs to be inspected by the commissaries first and it's a long walk. First aid also has to be on site before riders are allowed on the course.

The upper paddock is at the heart of the course. Here you will find the U6, U8, U10 & U12 Gridding, the Finish Line and Gazebo Area. Please ensure all tents and gazebos are securely anchored to the ground. Gridding and start of the youth and adult races will be in the usual spot at the bottom corner of Round hill Meadow.

There are toilets and showers available. Please try to keep these in a reasonable condition and leave as much mud as possible outside. Sign on and marshal HQ is in the wooden cabin. The double-sided pits are in the usual lower paddock. There is a jet wash area please bring your own water.

### SITE RULES

The venue is an outdoor activity centre and has various activities and facilities that can only be used under supervised instruction e.g. zip wire. Please keep well away. Sorry but the venue does not allow dogs on site except for assistance dogs. This is a non-smoking site.

Hoping for a great days racing.
