

## **Ridley Lazer WMCCL Round 5**

Midland Automobile Club, Shelsley Walsh Hill Climb,

Shelsley Walsh, Worcestershire WR6 6RP

Sunday 1<sup>st</sup> October 2017

Promoted by Worcester St Johns CC and Wyre Forest CRC

Organiser: David Jennings

Worcester St Johns CC & Wyre Forest CRC are happy to welcome you again for our second Cyclo Cross in the Scenic Teme Valley.

We have a different course, and parking layout from last year which consists of a tarmac start area, gravel tracks and undulating grass sections. Two hurdles are being introduced with single entry Pits at top of parking area.

Courses for U8, U10 and 12 will be lengthened for each age group.

There will be a £2 parking fee, which will go straight to Midland Automobile Club

The Stratstone Cafe will be open from 8.30 until 3.00 serving drinks and snacks all day, with Breakfasts 8.30 until 11.30 and Lunches from 12.00.

Sign On is in the Car Pits area as last year.

Toilets are located above finish area on hillside, in the Car Pits and at the Cafe.

Please bring own water for pressure washers, the weather forecast does give showers this week.

We hope for another bumper entry and looking to the future would like to hear from those who rode last year and can compare different course we are using in 2017.

Riders are free to practice on the course which is not being used by the U12 category racers.

As last year, we are running todays Cyclo Cross in conjunction with the Cycling Time Trials, Worcester St Johns CC Hill Climb on the Motor Racing Circuit which starts at 11am.

Kind Regards  
Dave Jennings
