

## Malvern Cycle Sport CYCLOCROSS

Sunday 5<sup>th</sup> November 2023

### Venue

Cob House Countryside Park, Worcester, WR6 6YE

The family owners have kindly let us use their land so that we can continue to put on our event. The site has great amenities including children's play areas, small farmyard and a very well catered for café which we actively encourage you to use. (Cyclists + Coffee = Happy venues)

⚠ The site will be open to the public, please be courteous and watch out for others.

⚠ Please refrain from riding on surrounding grassed areas. The land is maintained and due to heavy rain, we want to minimise damage to grass, and the potential costs incurred.

### Parking

**Fee is £3.00 all day – please be ready with correct change.** All proceeds will go to the Cob House as payment for using the venue. Our friendly family parking marshals will help you find spaces on arrival.

### Dogs

Dogs **MUST** be always kept on a lead due to farm animals on site. This also removes any possible accidental course crossing during races and practice.

### Signing-on

- Signing on will be to the rear of the café.
- Non-League registered riders **MUST** return numbers and transponders after their race.
- Race numbers should be on lower back and transponders on the **LEFT** ankle **OVER** socks.

### Pit area

There will be a **single** pit area close to the parking. Route to the pits can be seen on the overview map below. **Jet washing in pits ONLY.**

⚠ There will be no access to water on site – so please bring what you need for the day.

A bike wash area will be in effect to minimise drainage to the field. Please use this so that we can use the site again. A designated unsupported rider area will be marked out for those without helpers.

Normal pit area rules and etiquette apply.

## Toilets

There are 3 x Portaloo toilets provided outside of signing on.
